DISCLAIMER: While we work to ensure that product information is correct, on occasion manufacturers may alter their ingredient lists. Actual product packaging and materials may contain more and or different information than that shown. We recommend that you do not solely rely on the information presented and that you always read labels, warnings and directions before using or consuming a product. For additional information about a product, please contact the manufacturer. Due to FDA regulations our oils are being sold for external use only. Use with caution if pregnant and or breast feeding as well as for babies or small children and pets, as it can be toxic in higher doses. May cause irritation to sensitive skin, however it is rare. Please do a patch test on the back of your wrist before applying in large amounts. Because of its 100% natural state; keep away from extreme heat and direct sunlight. Rapid and or large temperature changes may cause the product to cloud, but this will not in any way decrease its effectiveness. **This product is not meant for human consumption. For external use only.**
